CHB1

Preface

Christian Basics (CHB1) is the introduction to an exciting range of studies offered by **CALVARY ACADEMICS**. With this textbook you will get a very good basic grounding in who God is, the most important Christian doctrines, the personal development of a Christian and the importance of good Christian character. Once these first principles are understood, the life of growth may continue, built on solid Christian principles.

In the second part (**CHB2**), the New Covenant is discussed to give a clear understanding of who we are in Christ. Secondly, an understanding of how a Christian should handle money matters will be addressed. A third important matter to cover is Priorities of Life; to love the Lord and to love your neighbour. Lastly, the matter of Prayer cannot be handled by just a few pen strokes. It is dealt with thoroughly to give excellent direction to the new disciple.
